WORK HISTORY

PEER REVIEW COORDINATOR

AMERICAN PSYCHOLOGICAL ASSOCIATION
WASHINGTON, DC
July 2021 - Present

- Manages manuscript submission process for assigned portfolio of journals, from initial author submission through peer review, to post-acceptance preparation for production
- Delivers data and statistics on submitted and accepted manuscripts, time in review and other key performance markers to editors and staff as needed
- Conducts onboarding for newly acquired journals, and editor or staff transitions
- Provides technical support and troubleshooting to authors in the peer review system
- Monitoring incoming manuscripts and maintaining standards of ethics, administering plagiarism checks, and forwarding results to editors
- Assists with the development of appropriate training materials
- Work as a team with production editors and associate publishers to develop journal-wide solutions for issues such as editorial lag and backlog

EDITORIAL ASSISTANT/PERMISSIONS COORDINATOR

AMERICAN PSYCHIATRIC ASSOCIATION
WASHINGTON, DC
May 2016 - July 2021

- Reviewed and independently analyzed submitted copyright documents
 - Implemented antipiracy procedures and reduced counterfeit products
 - Served as primary contact person for permissions related inquiries in manager's absence
 - Processed accepted manuscripts, preparing them for editorial and production workflow
 - Determined editor assignments for journals and monitor queues, while assuring efficient processing of manuscripts
-
